

Scotch Elementary Student Pine Tree Contract

Welcome to “Pine Tree” 2016-2017 at Scotch. We are thrilled that you are participating in this mission and look forward to you reaching your goal. In order to ensure that each student has the best experience possible, we have created a contract listing the rules for participation. Please read this contract with a parent or guardian and sign below. Signing this contract means that you agree to follow the rules presented. You should post this contract at home.

1. Students can checkout **1 Pine Tree book from the iCenter** at a time. Please return the book when due, so others can read it. Books can also be found in classrooms and at public libraries.
2. Students are expected to **read or listen** to the entire Pine Tree book **before attempting** to earn credit for that Pine Tree book.
3. **Teachers** may assign alternate books for reading based on a student’s reading abilities.
4. Participants are responsible for earning their own credit for books read.
***Do NOT** have someone else do the online credit form for you, unless permission to do so is given by your classroom teacher.
5. Participants need to respect the accomplishments of others.
6. The final day for earning credit for a Pine Tree book is **Tuesday, February 28.**
No extensions will be given for any reason, so plan accordingly.

-----Cut on this line and return bottom only to your teacher-----

**In order to start earning credit, this form must be returned to
your teacher by January 6, 2017**

We agree to follow the rules above for Pine Tree 2016-2017.
